PROFESSIONAL SUMMARY

SEO and content professional with experience in SEO writing, content editing and planning, on-page optimization, AEO content updates, and product collaboration. Experienced in SaaS and WordPress content, research, and outreach coordination.

EXPERIENCE

SEO Executive | Arraytics June 2026 – Present

• Write SEO-focused blog content and support on-page SEO and AEO content updates.

• Contribute to content cannibalization work across 120+ blogs and pages.

• Support product collaboration and outreach, including product mentions, listicle placements, and integration discussions.

Content Manager & Reddit Manager (Part-time) | RankersFly October 2025 – October 2026

• Worked on part-time content management and Reddit-related activities alongside MBA studies.

Content Writer → Content Editor → Content Strategist | Rank Wizards May 2023 – June 2024

• Progressed from Content Writer to Content Editor and Content Strategist.

• Contributed to research, keyword planning, content planning, writing, and editing for SaaS content projects.

SELECTED OUTREACH CONTRIBUTIONS

A reviewed outreach tracker contained 39 live records: 34 blog/listing placements, 3 product integrations, 1 backlink exchange, and 1 advertising banner placement. These categories are distinct; the 39 records should not be described as 39 backlinks.

SELECTED WRITING

Personally wrote ten published articles for Arraytics and ThemeWinter covering WordPress booking, WooCommerce, restaurant technology, SaaS, and AI-related topics. Selected samples include “8 Best Free WordPress Booking Plugins,” “Restaurant POS vs Online Ordering System: Do You Need Both?,” “Why Your WooCommerce Product Page Isn’t Converting,” and “AI Restaurant Agent Guide for Restaurant Owners.”

SELECTED CONTENT STRATEGY PROJECTS

Crowdfundly and ThriveDesk (Rank Wizards): contributed research, keyword planning, content planning, and writing. Published case studies report project-level organic search results, not individual-only outcomes. At Arraytics, contributed to content cannibalization work across 120+ blogs and pages.

SKILLS & TOOLS

SEO content writing, content editing, keyword research, search intent, content planning, content audits, on-page SEO, AEO content updates, product collaboration, outreach coordination, Semrush, Google Search Console, Google Analytics, WordPress, Airtable, ChatGPT.
